# ABOUT US

Haiqu is the brainchild of Siddhanth Lunawath & Saumya Gattani, two young entrepreneurs who spotted a global need for affordable luxury products in the architectural interiors market.

**Saumya** (21) studied fashion from the prestigious London College of Fashion and the Nanyang Academy of Fine Arts, Singapore. She also worked with GQ and the designer duo Shantanu & Nikhil.

**Siddhanth** (23) studied Management from Indiana University and went onto understand the ropes of branding and advertising at Foote, Cone & Belding.

Haiqu Quartz was born out of a Joint Venture between their respective family businesses. The Aravali Group, a mining major, and The Gattani Group, a conglomerate with diversified interests across polymers to clean energy.

Haiqu is driven by the purpose of Enabling Elevated Living for people around the world by using cutting-edge technology, innovation in process, and design-led manufacturing.
